December 28, 1939

To All Employers:

I am pleased to call your attention to the enclosed copy of C. L. No. 10, issued by this Commission under date of December 28, 1939.

In response to the requests of employers, the Commission has amended its Regulations, promulgated December 1, 1938, so as to enable New Jersey employers to submit year-end reports identical with those required by the Federal Government. The application of this important change and the effect upon the Regulations of December 1, 1938, are explained in the attached circular letter.

Questions in respect to the \$3000 "cut-off" of employer contributions on wages of individuals, effective on and after January 1, 1940, and termination of coverage are also discussed in the letter.

Sincerely,

Harold G. Hoffman
Executive Director
